

These are the changes between version 1.06A of the Living Rules for the Valley Games version of Republic of Rome and version 1.07. In the rules, the changes are colored Light Brown (as are the changes that were introduced in versions 1.06 and 1.06A).

There are two parts to this change list: the changes that happened before the Feb/Mar 2022 review, and the changes that happened during the Feb/Mar 2022 review.

Pre-Review changes:

In several places that I didn't record, changed "Game Turn" to "turn".

Changed a lot of double spaces to single spaces.

Changed "i.e." to "i.e.," and "e.g." to "e.g.," in a lot of places.

pg 2 1.01 removed "due to poor fiscal policy" and changed "turn" to "Combat Phase". [Because some wars, e.g. Spanish Revolts, can become active in the Revolution Phase, but this does not cause the players to lose.]

pg 2 changed "Victory Conditions" to "Winning Conditions" and "1.12.1" to "1.12.2". Changed "1.12.2" to "1.12.1".

pg 3 1.04.1 changed "office" to "Major Office".

pg 5 1.05.3 added "(along with any Garrison Legions they have)". Bolded "under".

pg 5 1.05.31 added 2 commas and ", 1.07.312". Removed "Statesmen cards are discussed in detail later in the rules (1.07.312)." to save necessary space.

pg 5 1.06.1 changed "1.11.34" to "1.11.33".

pg 5 1.06.12 added "Grain Concession bonuses may be taken for Drought even if the Senator's Popularity (1.07.31) is -9.". Changed "and he reveals" to "and reveal".

pg 5 1.06.13 removed "that number of" and changed "that" to "each". Changed "collected by" to "resulting from". Changed "Defends" to "Attacks on each Active War". Added "(unless he already has one)" and "non-rebel".

pg 5 1.06.2 changed "1.11.33" to "1.11.35".

pg 5 1.06.3 added "but".

pg 5 1.06.31 changed "1.11.33" to "1.11.35". added "to". changed "not be spent for any purpose other than these listed" to "be spent only for the purposes listed in this paragraph".

pg 5 1.06.4 changed "earns" to "gains".

pg 5 1.06.51 changed "on" to "by adjusting" and "Talents" to "taxes".

pg 6 1.06.53 changed "1.12.2" to "1.12.3", added "(1.12.1)", and changed "50 or 20" to "70". Added "due". changed "1.11.33" to "1.11.35".

pg 6 1.06.6 changed "move the center term dial of non-rebel Governors" to "reduce the term dial of non-rebel Governors by 1" and added "(along with any Garrison Legions on the Province)". changed "Corrupt Governors keep their Corrupt marker" to "Returning Governors who have a Corrupt marker keep it".

pg 6 1.07.2 removed "different".

pg 6 1.07.21 removed "nonetheless" and "otherwise" to save space. added "Evil Omens Events do not modify Natural Disaster Event rolls."

pg 6 1.07.22 removed "If nobody bids for an Initiative," and capitalized "t".

pg 6 1.07.3 changed ":" to ".".

pg 6 1.07.31 changed "allegiance" to "adherence" to reduce the number of meanings of "allegiance" in these rules.

pg 7 1.07.32 added "only" and a comma.

pg 7 1.07.33 removed "automatic". added "when it is drawn".

pg 7 1.07.332 added "(or ends via New Alliance)" and changed "1.12.2" to "1.12.1". Then removed "[4 and Rome is defeated (1.12.1)]". added "to be".

pg 8 1.07.3321 changed "active" to "activate", "for" to "from", and "War" to "set of Matching Wars". Added "If multiple Matching Wars become Active at the same time (e.g. Spanish Revolts), the earliest one (e.g. 1st before 2nd) becomes Active; the rest become Imminent.". removed "or Revolt". added "that is".

pg 8 1.07.333 removed "EXAMPLE: If the 3rd Punic War is defeated, the 1st and 2nd Punic Wars are considered Revolts." to make necessary space.

pg 8 1.07.334 removed "Active", "also", and ", in addition to costing 20 Talents". added "Some Wars create Drought Effects, threaten Concessions, or attack Provinces." and "the Game". moved "each" and the sentence it contains to a different spot in the paragraph. removed "the".

pg 8 1.07.341 changed "moves from Imminent to Active" to "becomes Active".

pg 8 1.07.344 added ", the Enemy Leader Dies / Enemy Leader Sues for Peace Event," and changed "1.12.2" to "1.12.1".

pg 9 1.07.411 added "(i.e., in a Faction)". changed "for being" to "if he is". changed "bothers" to "brothers". changed "one brother belongs to a Faction without his brother" to "" and "which" to "who". This is a rule change, but it agrees with the AH version (although not as much with LR 2.16).

pg 9 1.07.414 added "in the Forum".

pg 9 1.07.5 changed "1.11.34" to "1.11.33". added "or who dies".

pg 9 1.07.6 changed "a" to "one" to emphasize that only one Senator may sponsor games per Initiative. changed "need not" to "does not need to".

pg 9 1.07.7 changed "a" to "his".

pg 9 1.07.8 removed "in order to prepare Rome for the upcoming Senate Phase (1.09)". It's unnecessary. added a comma. removed "additional".

pg 9 1.07.9 changed "are completed" to "complete".

Pg 17 1.10.62 changed “part of” to “in”.

Pg 17 1.10.7 removed “immediately” (sadly, but necessary to save space) and added “and is not captured”.

Pg 18 1.11.3 changed “Force” to “Army” twice and “is killed” to “dies”. Removed “The Master of Horse can only be declared in Revolt in conjunction with the Dictator (1.11.32).” because it is redundant with 1.11.32 and better expressed there.

Pg 18 1.11.31 moved “Since it is assumed ... [EXCEPTION: Rebel Governor Advanced Rule (2.03)].” to 1.11.3.

Pg 18 1.11.32 removed “In the case of the Master of Horse with a Rebel Dictator, the”, added “A” and “(not must)”, changed “the” to “a Rebel”, and moved the resulting sentence and the next one to near the top of the paragraph. changed “Those” to “Senators”. Added “unless either is a Captive”.

Pg 19 1.11.37 changed “Force” to “Army” twice.

Pg 19 1.11.371 added back “number”, added “(1.11.37)”, changed “not including” to “including”, and changed “the losses were a result of achieving” to “he achieved” (to save space).

Pg 19 1.11.373 changed “Force” to “Army”.

Pg 19 1.12.3 changed “Army” to “Force”.

Pg 36 “Aligned Senator” removed “Senators not in the deck, discard pile, a player’s hand, Curia or Forum.” In part because another “not” place is an Unaligned Governor.

Pg 37 “Major Prosecution” added “or banishment”.

Pg 38 “Proconsul” changed “Army” to “Force”.

Pg 38 “Unaligned Senator” removed “All Senators in the Forum, Curia, a player’s hand, deck, or discard pile.”
